

Montgomery County Constable Pct. 1/ CIT and Mental Health Division

Deputy Laci Seaton

Deputy Laci Seaton is nominated for this award due to her work on a call dealing with a suicidal female barricaded with a knife. Deputy Seaton worked diligently and with patience to connect with the female and was able to get her responding to deputies on the scene. The dedication of Deputy Seaton ultimately led to the ending of the situation without any force used and medical treatment administered for the female who admitted to already taken medication to overdose. This situation could have ended tragically, but Deputy Seaton was able to use her Crisis Intervention and De-escalation training to connect with this patient and get her the medical and mental health treatment she desperately needed.
